MT BAW BAW ALPINE RESORT

1. One of Victoria's six (6) alpine resorts.
2. Southern Alpine Resort Management Board (the Board) governs Lake Mountain and Mt Baw Baw Alpine Resorts.

CHALLENGES AT MT BAW BAW

- Climate
- Energy supply and cost
- Access

ACCESS TO MT BAW BAW

SOUTH FACE ROAD

- Alternative access to Mt Baw Baw.
- Built as timber road (under control of DELWP).
- Maintained by Baw Baw Shire in winter to provide access to Mt Baw Baw in white season.

SOUTH FACE ROAD

- Sealing would provide key benefits:
 - Safe access from Latrobe Valley to Mt Baw Baw.
 - Alternative to narrow, windy Tourist Road.
 - Connect regions major tourist destinations of Walhalla and Mt Baw Baw.
 - Create touring loop connecting Latrobe Valley/West Gippsland/Yarra Valley.

PROJECTS

Southern Alpine Resorts Reform Project 2017

- Financial/climate sustainability

PROJECTS

Regional Growth Fund

- Application lodged by State for Commonwealth support of \$19m to match State for:
 - Sealing South Face Road.
 - Mt Baw Baw off grid energy supply.
 - Replace surface lifts with all season chair lift to Mt Baw Baw summit.
 - Extend Walhalla Goldfields Railway.
 - Upgrade Long Tunnel Extended Gold Mine Walhalla.
